Dear Ms. Murphy:

This is in reference to the complaint you filed with the Federal Election Commission on November 29, 2005, concerning the Jim Gerlach for Congress Committee and Michael DeHaven, in his official capacity as treasurer (the "Committee"), Friends of John Perzel and Gordon R. Johnson, in his official capacity as treasurer, Valley Forge Investment Corporation, Alan Randzin and Richard Ireland. The Commission found that there was reason to believe the Committee violated 2 U.S.C. §§ 434(b)(2), 434(b)(2)(A) and 434(b)(3)(A), provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"). The Commission also found no reason to believe Friends of John Perzel and Gordon R. Johnson, in his official capacity as treasurer, Valley Forge Investment Corporation or Richard Ireland violated the Act. On March 28, 2007, a conciliation agreement signed by the Committee was accepted by the Commission. Accordingly, the Commission closed the file in this matter on March 28, 2007.

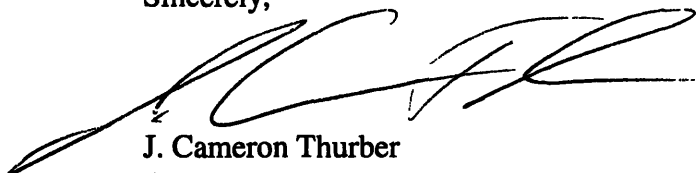

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003). A copy of the agreement with the Committee is enclosed for your information. In addition, a copy of the dispositive General Counsel's Report regarding
